

Curriculum Vitae

Mr. Subhas Chandra Kattimani born to Sri. Hanumantappa Kattimani and Smt. Parvathi Kattimani on 1st June, 1975 in Sitimani, a small village in Bagalkot District, Karnataka, India. He obtained his Bachelor of Engineering degree in Mechanical Engineering from the University Visvesvaraya College of Engineering (UVCE), Bangalore in the year 1997. After the Bachelor's degree, he pursued his Master of Engineering (Machine Design) degree in the year 2001 from the UVCE, Bnagalore. He has 10 years of teaching experience and currently working as Assistant Professor in the Department of Mechanical Engineering at National Institute of Technology Karnataka (NITK), Surathkal. During his Doctoral programme (2011 - 2014) at the Indian Institute of Technology Kharagpur, he worked on *Active Control of Geometrically Nonlinear Vibrations of Magneto-Electro-Elastic Plates and Shells* under the guidance of Prof. Manas Chandra Ray, FNAE. During the course of his doctoral studies, he has published two research articles in the refereed international journals and communicated another three. His area of research interest are Smart Composite Structures, Magneto-Electro-Elastic Structures and Active Vibration Control.
