

Efficient Multiple Access Schemes for Next Generation Wireless Communications

*Thesis submitted to
Indian Institute of Technology, Kharagpur
for the award of the degree
of*

Doctor of Philosophy

by

Poonam Singh

under the guidance of

Professor Saswat Chakrabarti, GSSST

and

Professor R. V. Raja Kumar, Dept of E & ECE

**Department of Electronics and Electrical Communication Engineering
Indian Institute of Technology, Kharagpur
May, 2010**

CERTIFICATE

This is to certify that the thesis titled “**Efficient Multiple Access Schemes for Next Generation Wireless Communications**”, submitted by **Poonam Singh** to the **Indian Institute of Technology, Kharagpur**, India for the award of **Doctor of Philosophy** is a bonafied research work carried out by her under our supervision during the period 2004-2009. The results embodied in this thesis have not been submitted to any other University or Institute for the award of any degree or diploma. In our opinion, this dissertation is of the standard required for the award of the degree of Doctor of Philosophy of the Institute.

Dr. Saswat Chakrabarti
Chairman,
G. S. Sanyal School of Telecommunications,
Indian Institute of Technology,
Kharagpur - 721302, INDIA.

Dr. R. V. Raja Kumar
Professor,
Department of Electrical and
Electronics & Communication Engineering,
Indian Institute of Technology,
Kharagpur - 721302, INDIA.

Place: IIT, Kharagpur
Date: 27.05.2010

Declaration

I certify that

- a. the work contained in this thesis is original and has been done by me under the guidance of my supervisors.
- b. the work has not been submitted to any other Institute for any degree or diploma.
- c. I have followed the guidelines provided by the Institute in preparing the thesis.
- d. I have conformed to the norms and guidelines given in the Ethical Code of Conduct of the Institute.
- e. whenever I have used materials (data, theoretical analysis, figures, and text) from other sources, I have given due credit to them by citing them in the text of the thesis and giving their details in the references. Further, I have taken permission from the copyright owners of the sources, whenever necessary.

Acknowledgement

I express sincere gratitude to my supervisors Professor Saswat Chakrabarti and Professor R.V. Raja Kumar for their constant inspiration and valuable guidance throughout the course of research work. Their deep knowledge, technical expertise and understanding have been a constant source of motivation.

I thank the Head of Department, Electronics and Electrical Communication Engineering Department for making available necessary facilities to complete this work. I am grateful to the members of Doctoral Scrutiny Committee Prof. D. Datta, Prof. S. S. Pathak and Prof. I. Sengupta for their constructive suggestions and scrutiny of this work. I would also like to thank Prof. T. S. Lamba for his advice and encouragement during the research work.

I am very much thankful to the present and ex-research scholars of the department Dr. Tiwari, Mr. Bhandari, Kumar, Sameer, Ashesh and Manju for their help and support. I am fortunate to have friends like Preetam, Jinesh, Debarati, Ravi, Lakshi, Sanjeet, Janardan, Asharaf, Prasad and all other research Scholars in G.S. Sanyal School of Telecommunications, who helped me in various ways.

I am also thankful to authorities of NIT, Rourkela for sponsoring me for the Ph. D. programme under QIP. I also express my sincere thanks to Head, EC Dept. and my other colleagues at NIT, Rourkela for their continuous support and encouragement during the work.

I would like to acknowledge the unconditional love and support of my parents, without which this thesis would not have been possible. I am grateful to my brother Sandeep and sisters, Neelam and Seema for all their help and encouragement. I express my thanks to my husband Mr. B. P. Singh for his constant encouragement and support throughout my work. I also express deep gratitude to my daughter Kruttika who tolerated all my negligence silently during this period.

Finally, I wish to thank all the people who directly or indirectly contributed towards the completion of this dissertation.

Poonam Singh
