

## Curriculum Vitae

Saroj Kumar Sarangi, son of Sri Purna Chandra Sarangi and Smt. Indira Sarangi, was born on 27<sup>th</sup> July, 1974 in Bhanjanagar, a small town in Orissa State, India. He received his M. Tech Degree in *Mechanical Engineering* with specialization in *Machine Design* from Institute of Technology, Banaras Hindu University, Varanasi, in the year 2003. From July 2003 till date, he is working as a faculty member in the Department of Mechanical Engineering, Institute of Technical Education and Research (ITER), Bhubaneswar, India. During the period of Ph.D program (2008-2011) at Indian Institute of Technology, Kharagpur, he has been engaged for the Ph.D. dissertation work on “**Active Constrained Layer Damping of Geometrically Nonlinear Vibrations of Smart Laminated Composite Structures Using Piezoelectric Composites**”. He has been all along associated in Teaching and Research in the broad field of Solid Mechanics. His research interests include Composite Materials, Smart Composite Materials and Structures, Functionally Graded Materials and Structures and Active Vibration Control.
