It is a pleasant aspect that now I have the opportunity to express my gratitude to all who have supported me during my stay at IIT, Kharagpur. At the same time it is not possible for me to enumerate all the people who have been providing unselfish support for this research. I apologize in advance for my many omissions.

I would like to express my gratitude and thanks to my supervisor Dr. V.N.A. Naikan for his guidance, support, and his professional as well as personal example.

I would also like to express my gratitude to R. B. Misra, Professor and Head of the Reliability Engineering Centre, IIT Kharagpur for providing an excellent computational work environment in the department leading to smooth completion of my research work.

I am highly obliged to the members of my Doctoral Scrutiny Committee members Prof. S. K. Chaturvedi, Prof. P. K.Ray, Dr. Neeraj Kumar Goyal and Prof. K. B. Misra for their help, guidance and critical inputs throughout the course of the present study. I am also grateful to the all faculty members of the Department for their valuable advice and encouragement throughout the course of this study.

My sincere appreciation goes to the administration of Indian Institute of Technology Kharagpur, for providing me the financial assistance during this work.

I would also like to express my gratitude to my friends Vivek Shrivastava, Saravana Kumar, Neelesh Bhattacharya, Rajesh Mishra, Dr. Sasatte Pravinkumar,

Syam Sundhar, Vijay Kumar and Dr. Rani for their cooperation and encouragement during this work.

I would like to acknowledge the help from the non-teaching staff of my department for their cooperation.

Finally, I would like to thank my parents Subba Rao and Chandramma, wife Indrani and daughter Manasa for their support and encouragement all the times.
