

CONTENTS

CHAPTER - I	INTRODUCTION	Page
1.1	The issue	1
1.2	Objectives	10
1.3	Methodology	11
1.4	Selection of the study area	14
1.5	Selection of Tribal Communities	15
1.6	Survey Technique	19
1.7	Sample Coverage	20
1.8	Limitation	21
1.9	Outline of the Work	23
CHAPTER - II	TRIBAL ECONOMY AND TRIBAL CRAFTS	
2.1	Importance of Tribal Crafts and Craftsmen	25
2.2	Tribal Regions and Cultural Pattern in India	26
2.3	Tribal Cultural Pattern in Study Area	32
2.4	Studies on Artisan tribes and tribal crafts	37
2.5	Concentration of Tribal Workers in Different Industrial Calsses	39
2.6	Trends of Growth in occupation over 1961-1971	49
2.7	The Changing scene	58
CHAPTER - III	INVENTORY OF TRIBAL CRAFTS UNDER STUDY	
3.1	Sectional and Sectoral Distribution of the Crafts Units Surveyed	73
3.2	Ethnic Background of the Craftsmen	77
3.3	Educational Attainment	87
3.4	Major Raw Materials in Use	88
3.5	Major Articles produced	94

3.6	Seasonal Variation in Production	97
3.7	Tools and accessories	98
3.8	Marketing Mechanism in Practice	102
CHAPTER - IV	ANALYSIS OF ECONOMIC CHARACTERISTICS AND PROBLEMS OF DEVELOPMENT	
4.1	Factors of production	108
4.2	Economic indicators	170
4.3	Problems of development	172
CHAPTER - V	PRODUCTION FACTORS AND PRODUCTIVITY GROWTH IN TRIBAL CRAFT SECTOR : A THEORETICAL MODEL	
5.1	The Production Function	192
5.2	Factors of Production	193
5.3	Implications of productivity analysis	197
5.4	Formulation of a model of productivity growth and income generation	200
5.5	A conceptual outline of empirical investigation	203
CHAPTER - VI	PRODUCTIVITY GROWTH AND INCOME GENERATION : INTERPRETATION OF STRUCTURAL RELATIONS AND REDUCED FORM EQUATIONS	
6.1	Empirical findings and interpretation of structural relations	220
6.2	Reduced form equations	240

CHAPTER - VII	KEY FACTORS RELATED TO TRIBAL ENTREPRENEURSHIP : A COMPONENT ANALYSIS	
7.1	The Significance of Tribal Entrepreneurs	250
7.2	What is meant by Village Entrepreneur (VE) in a Tribal Area	252
7.3	Progress of Adaptation to Change by Entrepreneur	259
7.4	The Purpose of Analysis	264
7.5	Key Determinants of Tribal Entrepreneurship	265
7.6	Methodology for Empirical Estimation of Entrepreneurship	271
7.7	Relationship between Entrepreneurial Ability and Economic Performance - A Canonical Correlations Analysis	279
7.8	Significance of the Factors of Entrepreneurship	285
7.9	Correlation between economic Performance and Entrepreneurship	287
7.10	Conclusion	289
CHAPTER - VIII	PROJECT FORMULATION AND EVALUATION FOR DEVELOPMENT OF TRIBAL CRAFTS	
8.1	Operational limits for exogenous variables	297
8.2	The development strategies : optimization of endogenous variables	306
8.3	Evaluation of projects	325

CHAPTER IX**POLICY RECOMMENDATIONS**

9.1	Size of the Unit	341
9.2	Policy Recommendations for Distribution of Inputs and Marketing of Products	344
9.3	Policy Recommendations for Protection from Organised Sector	344
9.4	Policy Recommendations for Modernisation of Production Technology	344
9.5	Policy Recommendations for Product Diversification	346
9.6	Policy Recommendations for Skill Formation and Training	348
9.7	Policy Recommendations for Cooperatives	350
9.8	Policy Recommendations for Nurturing Entrepreneurs	350
9.9	Policy Recommendations for Finance Mobilisation	353
9.10	Policy Recommendations for Subsidiary Occupation	356
9.11	Other General Recommendations for Development of Artisans	356

CONCLUSION 358

APPENDICES 363

ANNEXURE (SURVEY QUESTIONNAIRES) 386
