CERTIFICATE

This is to certify that the thesis entitled "Studies on Some Poly-heteroconjugated System obtained from Urea and Dicyanodiamide" that is being submitted by Shri Asok Das, for the award of the Degree of Doctor of Philosophy to the Indian Institute of Technology, Kharagpur, is a record of bonafide research work carried out by him under my supervision and guidance. The thesis has reached the standard fulfilling the requirements of the regulations relating to the nature/and he has worked for about three years and a half in the Department of Applied Chemistry, Indian Institute of Technology, Kharagpur. The results embodied in this thesis have not been submitted for the award of any other degree or diploma.

(P.C. Bandyopadhyay)

Dated, September 11, 1970

ACKNOWLEDGEMENT

The author expresses his sincerest and respectful thanks and gratitude to Dr. P.C.Bandyopadhyay, D.Phil., Department of Applied Chemistry, Indian Institute of Technology, Kharagpur, for kindly suggesting the problem and for the valuable assistance and guidance and particularly for constant encouragement throughout the present work.

The author desires to express his sincere gratitude to Mr. S.Datta and Mr. M.D.Agarwal, Research Scholars in the Department of Applied Chemistry and Physics of Indian Institute of Technology, Kharagpur, respectively, for some of the experimental work contained herein and also to the Council of Scientific and Industrial Research, New Delhi, for granting financial aid.

The author is thankful to the members of the Department for their kind co-operation and to the authorities of the Institute for providing him with the necessary facilities.

Asok Kumar Das
