

Indian Institute of Technology Kharagpur

TRANSFER OF COPYRIGHT

Date: 27-02-2017

I, Gourab Saha Roll No. 13CE92R08 registered as a Research Scholar in the Department/ Center/ School of CIVIL ENGINEERING Indian Institute of Technology, Kharagpur, India hereinafter referred to as the "Institute", do hereby submit my thesis, entitled,

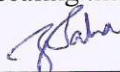

DEVELOPMENT OF A METHODOLOGY TO CHARACTERIZE FATIGUE CRACKING PHENOMENON OF ASPHALT MIXTURES

in a printed as well as an electronic version for archiving in the Central Library of the Institute.

I hereby declare that

1. The electronic version of the thesis submitted herewith on CDROM is in the PDF format.
2. My thesis is my original work and its copyright vests in me; it does not infringe or violate the rights of anyone else.
3. The contents of the electronic version of my thesis submitted herewith are the same as that submitted as the final hardcopy of the thesis.
4. I agree to abide by the terms and conditions of the Institute Policy on Intellectual Property, hereafter known as the "Policy", as approved by the competent authority of the Institute.
5. I agree to allow the Institute to make available the abstract of my thesis (in hardcopy as well as electronic form) internationally.
6. For the Institute's own, non-commercial, academic use, I grant to the Institute a non-exclusive license to make limited copies of my thesis, in whole or in part, and to loan such copies at the Institute's discretion to academic persons and bodies approved from time to time by the Institute for non-commercial, academic use. All usage under this clause will be governed by the relevant fair-use provisions in the Policy and by the Indian Copyright Act in force at the time of submission of the thesis.
7. (a) I agree to allow the Institute to place the electronic version of my thesis on a private intranet maintained by the Institute for its own academic community.
(b) I agree/~~do not agree~~ (strike out whichever is not applicable) to allow the Institute to upload the electronic version of my thesis on a public access website of the internet, should it so desire.
8. In keeping with the said Policy of the Institute, I agree to assign to the Institute (or its Designee/s), all my rights in inventions, discoveries and patents, and/or similar property rights derived from my thesis according to the following categories (tick whichever is relevant):
 - a. with the use of Institute-supported resources as defined by the Policy and revisions thereof,
 - b. with the support, in part or whole, of a sponsored project or programme (vide clause 6(m) of the Policy).
9. The Institute will evaluate my thesis under clause 6(b1) of the Policy, if intellectual property described in my thesis qualifies under clause 6(b1)(ii) of the Policy, I agree to maintain confidentiality as per the clause 6(b4).
10. In case I consider my thesis to contain patentable intellectual property, I agree to notify the Institute to that effect. If, however, the Institute does not wish to file a patent based on my thesis, no part of my thesis may be disclosed by the Institute to any person(s) without my written authorization for one year after the date of submission of the thesis or the period necessary for sealing the patent, whichever is earlier.
