

CURRICULUM VITAE

Name : Baidehi Mukherjee

Date of Birth : 01.09.1978

Email Address : baidehi_mukherjee@yahoo.com
babinpes@rediffmail.com

Academic Career : B. Sc., Geology, University of Burdwan, 2000
M.Tech., Applied Geology, IIT Roorkee, 2003

Professional Career : Petrophysicist, Schlumberger Overseas S.A.
Doha, Qatar (December, 2006-October, 2010)
Petrophysicist, Schlumberger Oilfield UK PLC
Aberdeen, United Kingdom (November, 2010-till date)

International Publications:

Gupta, A. K., M. Das, S. C. Clemens, and **Mukherjee, B.** (2008) Benthic foraminiferal faunal and isotopic changes as recorded in Holocene sediments of the northwest Indian Ocean. *Paleoceanography*, Vol. 23, pp. PA2214.

Gupta, A.K., Sarkar, S., and **Mukherjee, B.** (2006) Deep-sea paleoceanographic changes at DSDP Site 238, Central Indian Ocean Basin during the past 1.9 Myr: Benthic foraminiferal proxies. *Marine Micropaleontology*, Vol. 60, pp. 157-166.

Other Publications:

Baidehi Mukherjee, Sudipta Sarkar, Anil K. Gupta and Soma De, 2005. Foraminifera: A tool in understanding Paleonographic and paleoclimatic changes, “*Samudrika*” (in Hindi), Vol. 12, pp. 35-38

Presentation at Colloquium:

Baidehi Mukherjee and Anil K. Gupta, October 24-26, 2005. Benthic foraminiferal proxies for the development of oxygen minimum zone resulted from intense southwest monsoon during the early Holocene: ODP Hole 724B, Leg 117, Oman margin, Arabian Sea.
